A plant photo for [REDACTED] that cannot be bought before the afternoon was not my priority this morning since she didn't say she had to work at 3.30. I sent it right when I got back home.  
This is how you make people dislike her even more - by blaming others for her mistakes.

Ok

Nothing to do with running your office, you told me to have her run errands and of course she didn't say a word about having to be back at a certain time.

She got the photo at 2.30

She forgot to mention that. I thought you had [REDACTED] if [REDACTED] was to go buy plants
