Dear Dear Jeffrey!

Hello!

How are you?

Hope much, much better!

I'm pretty good, just moved on Manhattan yesterday. I'm so happy to move because I was attacked by man 2 times during my last week in Manhattan Beach. I was so scared, i have never had it before.

Also I did test-photoshooting with a very nice photographer (watch the pictures), when i got this pictures i could not believe it is me, I was staring for an hour at mine own picture...

I would like to see you so much,

Love you,

Kisses
