Hi Jeffrey. Was thinking about tomorrow and have a request, if it seems reasonable. I am flying out from Miami at 10 pm. My uncle was going to drive me but (a) it would be nice to hang out with you for tomorrow and (b) my uncle doesn't see too well at night and I do worry about him driving back after dropping me off. Would it be possible to come by in the afternoon sometime and visit and then have your driver take me to the airport from your place to get to airport around 8 pm (or earlier if that is more convenient for you or him). No problem if this isn't possible. Would still be happy to come by and hang out or meet during the day.
