Dear Jeffrey,

Please find attached my invoice for July.

Andrew and I will be finished with the revisions to the schematics (plans, sections, elevations) for the Hammam project this week. We will post the updated drawings on the ftp site - I have talked to Gary about this.

I understand that Gensler will work on the next step of looking at possibilities for the structure, which may take a few weeks. We will wait to do more on design development after that.

If acceptable to you, we would work on the interiors of the major spaces that we had begun for the next few weeks. Please let me know if this is OK with you.

Kind regards,
Hasan
