Dear Jeffrey,

This is a time of the year when I have to ask you for tuition again. I understand as a parent I should take full care of my kids. Unfortunately without your help I can offer them public school only and it is very important for me to give them a strong base.

In the past you always graciously paid for my children's education and offered school activities.

This year my kids are going to the second grade. Tuition bill is for \$20,500 (\$16,500 and \$4,000 for after school programs).

I appreciate you help very much.

Thank you

Bella
