Jeffery

I am returning to Md. Sept.3rd and have a meeting with Ghislaine on the 10th in N.Y. I am thinking of meeting with Mcguire in their offices in Mass., on the same trip, and revising the mechanical plans.

If we get Gensler paid I plan to set up a meeting with them, it looks like they would be available mid sept. as well .I was going to try and get them to meet on LSJ but could meet in their offices in LA or your house in West Palm. Any thoughts?
