Dear, Dear Jeffrey!

How are you?

I'm good.

Now I'm busy with an article, i changed a topic for "How fashion comes to Russia", it is an interesting thing for me and for russian people all over the world, I hope so. It should be in russian language. Even I'm doing a little research by myself, i'm reading a lot of books about fashion, history, also i went couple days ago to an exhibition called "Model as Muse" in the Metropolitan museum. It is so well-done, I enjoyed it very much. So during the weekend i will summarize everything and make 2 pages from hundreds. Also I made for you so good pictures but it saved just on my broken computer(, it is still in repair store(.

But I made for you today a regular one.

Can't wait to see you.

Miss ☆you☆ every day
