Included with your order is a supplemental update from Glocap outlining the trends and changes in compensation that emerged over the first quarter of 2009

The 2009 report analyzes base salaries and bonuses for professionals at U.S.-based hedge funds and hedge fund of funds including Investment Professionals, Traders, CFOs, COOs, Fund-Marketers, Information Technology, Risk Management, Operations, Accounting, Legal & Compliance professionals and Administrative & Executive Assistants.

In addition to the details behind the numbers and other insights, you will find:

- How fund performance is affecting bonuses
- Why compensation for infrastructure professionals is not affected by fund performance as is compensation for investment professionals
- Which professionals are being subjected to deferred compensation and how much is being deferred

**Here's what others are saying about
the 2009 Hedge Fund Compensation Report**

"In the PE and HF space, solid compensation analysis is hard to come by. The Glocap publications remain, in my opinion, the most accurate and comprehensive source of benchmarking". - Colin H. Mincy, Human Resources Executive, Oak Hill Capital
