Hi [REDACTED],

I hope that you have recovered!

I just wanted to let you know that Sim has uploaded the photos from the Christening onto the website. The prints are at the lab being processed right now and as soon as she has them back, Sim will send them onto you. In the meantime, if you want to see the photos please go to:

Once you type in your email and submit, click on "[REDACTED] Christening". The username is: "[REDACTED]" and the password is: "[REDACTED]"

Please let me know if you want us to email this link to the guests who attended the Christening.

Thank you again for being such wonderful clients – we are looking forward to [REDACTED] 5th! (hah!)
