Jeffrey,

Speaking to [REDACTED] and Curtis they are still looking to get a gradall and an Ot watt yard spotter.

I have located a gradall in New Jersey (pictures attached) it is 2003 model with 2800 hours asking price is \$ 40,000.

It is currently on a job site in New Jersey and I can drive there on Friday to observe and take pictures of it while it's working.

Please let me know if you would like me to do this.

Thank you
