yes indeed they my dentist was the problem, that's why I'm in this state...but I'm sure not all of them are that bad :)

he sent you the bill probably because you are the one who made the appointment. And me onestlly I thought he's your friend and he will make a big discount... but now...well now I'll try ask the agency to advance some money..and will postpone everything.

It is..I got really scared of what he told me yesterday... That is a huge mess with all my teeth,cavities on all of them,and if he doesn't change the surface now,in 3 years will have to put fake theeth! :(  
Is too expensive here so I'de better have them done in Romania coz is much cheaper! The ones he did yesterday were really damaged and it was painfull for me!  
So I'll cancel my next appointment...
