Ok. I am not going to argue with you.

I tried house, breakfast, girls, then you said you didn't want anything. So now I am doing flying and typing. You are not happy with what I do and refuse to tell me what you want. Do YOU even know what it is?

This is what I mean by you not being helpful. It would have been simple to call this morning and say what should I do. The fact that you have yet to be helpful is always dealt with - you are just trying to start a fight . No concrete response but an attack . I wanted to talk to tins before you saw her so that you could sat these things to her. You have yet to deal with it . Your suggestion about dealing withjenn was typical. -- you have no facts just your perception of what happens at the office but feel you have an answer .I love you -- why don't you tell me how helpful you have been -or is that also going to be seen ad an attack
