Jeffrey, It seems to me you are just trying to pick a fight. I know you are stressed. I asked you about 2 3 times yesterday. You said we'll play it by ear. I didn't think that meant we couldn't do anything but wait for you to make up your mind so I scheduled a lesson. You could have had her any time yesterday or today except one hour, 11-12, and even that could have been cancelled if you said that was your preferred time..

I love you.

I thought it would have been more helpful had you asked me what times worked for me , as opposed to saying this is what we are doing at 11, now what would you now like to do.. This is why it is so difficult to give you responsibility,, it is always you ,you , you. .. you have yet to learn anything that would be helpful to me.
