Jeffrey,

Thank you for taking the time to talk with me last week. My dad told me that there is an opportunity to work in New York . I am definitely interested and excited about the possibility of living and working up there this summer. I take the LSAT June 8th and would be available to start working anytime after that. I would love to talk to you at some point in the next few weeks about what kind of work I might be doing. Thanks so much for your help, I really appreciate it.

Matt
