Hi dear dear Jeffrey!!!! How are you?

Sorry i didn't write you for a while, my computer was out of order, but I was always thinking about you, that's for sure! Thanks to [REDACTED] I always had at least some news about you... I'm doing good, still taking acting and diction classes, am going to take some headshots next few days that hopefully will help me to find a job as a famous international journalist or an actress:)) Otherwise everything is fine, i will write you much more on the weekend, have an early plane to catch tomorrow, going to my brother in San Diego,

For now sending you some pictures from tonight, and hope to hear from you soon,

Really miss you!!!!

Lots of Love!
