Jeffrey,

I had the Gradall inspected and the report was reviewed by Aaron and Brice. Aaron spoke to the inspector and feels based on the inspection report and his conversation with the inspector that we should go ahead with the purchase.

Total expected cost will be \$ 40,000.

Cost of the Machine is \$ 38,000 delivered to the shipping company and it will cost \$ 2,000 to ship the machine to LSJ.

Do I have your approval to purchase this machine?

Thank you

Emad Hanna
