Silvina:

It is my plan to return to LSJ Tuesday 6/9/09 (arrive @ 3:25 pm on US Air) and leave on Friday. I wanted to make sure this schedule works for you.

I intend to create a detailed design program for the entire master plan effort. It would be great if Curtis, yourself and I could sit down and go over this program list and describe the scope of work and priority schedule of all of the various design elements on LSJ.

Also, I wanted to focus on the walkway connection from the Master Bedroom to the Office and the roadway paving as these are priority areas.

Thanks,
