You are right, you have the ONE VOTE, but voting against wise and informed counsel, may not be the best path to achieving your goals.

Nothing is on there that states ANY committment to fund ANYTHING!!!!!! No promises, no money stated, NOTHING. There are no specific projects. No application form. Deliberately left it in an "unconstructed form". It is a general outline.

It needs to look real. What do you want to put up in its place????? That won't knock it off its placement on the first page of google? Tell me what you are going to put in its place? A cartoon? What? Will you write it? This was a very good proposal, and the people who read it, and who are familiar with such things, thought it was "excellent." A lot of time went into thinking this through so it looked good.

Jeff you are just making my day today.... Are you purposesly trying to make this difficult? You don't think I have enough contraits and pressures?

Strained.
