Your bio could use a bit of a overhaul. I am doing a first pass right now for grammar and small issues. First thing is that it says in one paragraph you are Chairman and CEO of FTC. Then in next paragraph it says same sentence and that you are Director. Do you need all 3 of these titles? If not, which ones?

I think maybe just:
JE currently serves as Chairman and CEO of FTC.

Thoughts? Edicts?

2. would you like me to work with your webdev people to do any changes directly or just put them in a file for them? i may need to know who they are.
