I have great respect for you. It is not my life , it is yours. as a friend , Especially my friend, it would be easier to simply say of course, you are beautiful,, do as you wish, however , it has been three years. each year , you ask for just a bit more.. Its not mine to give , you are free, my advice is free of self interest, the time is up, you will be unhappy in the future, but its clearly only your choice. you have had a good time, you are stubborn but you are making the wrong choice,, I don't think my advice will change your mind. It s ok, but you will always know , i did my best, most friends ignore the true needs of others. sorry you have little savings, little foundation for the future and few new skills. I am always there for you. no matter what you do and with whom
