Lee Smolin's name is misspelled.

When you and Darren were swamped with other matters in September and October 2006, I interviewed COUQ Foundation recipients and compiled a report I emailed to Darren, which he claimed not to receive.

Do you have a real structured plan and a real strategy for publicity? I am sure I can add a lot of pizazz to help you get favorable attention for the differentiating features -- you have a genuinely unusual and different approach to science philanthropy. Don't let blandness and safety dim your light.

D.
