did they remove [REDACTED] or your sense of humor. . There is no question , that your motivations are ,and have always been focused around what s in it for you. The facts, evidence, other peoples perceptions are in keeping with my statements. sorry,, I realize this truth is painful for you, but you can read email after email, it is nothing new.. Your perception ofyour self is of course very different, and like an anorexic that thinks shes fat. your self perception is as skewed , no matter how one tells the anorexic to eat , she thinks shes fat. no matter how many times i tell you that you focus needs to be on other than you, you come back and tell me , you're really fat , though it is clear , that you are not. Putting the anorexic on the scale doesn't help,, and though you have no facts that support your view of your geneoristy of spirit or fun, you will maintain that you do THINK about it. Want it , Contemplated it, but would agree that in the end you did not DO it.. That being said , I hope you are well and happy.

jeffrey, [REDACTED] just told me that she spoke to Annabelle today and that she is supposed to see her on monday, apparently she broke her nose, so i hope she's not in too much pain! [REDACTED] is very grateful and I want to thank you very much.

i hope that things on the island are progressing well for you

i'm so sad to read what you wrote the day i arrived in new york, and to hear what you said the evening of my operation as you were calling to ' see how i was'.

that you've turned me into some sort of monster in your mind who only cares for you if i get paid is so upsetting to me, and so wrong, it left me speechless.

i think that clarifying things between us , so as not to engender the same error is key
