ask the boss , if there is anything you can do to help him or the company, Ask for more work. . , when is your 3
[REDACTED] up. ? ask , if there is not work in your department , if there is something you can do in another, [REDACTED] .. I
hesitate to give you more advice, you rarely if ever takemine .. (I told you that going to [REDACTED] party was
very very important. you made the decision , not to go. , its been difficult since then,) the issue was were you
going to behave like an adult, or like a child, with a childish boyfriend.), You are really great, but very stubborn.

Great!!! Was thinking of you this weekend, I was looking for you on skype.

I don't want to complain but so far I've only been in [REDACTED] Is funny that I took the [REDACTED] and spent it in
the first week (paying the rent, buying abonament for [REDACTED] some groceries from the supermarket and the bank
overdraft I had) Am I doing something wrong? Or is just the way it is? And no way of buying new clothes
even though I need since winter is coming with fast steps in [REDACTED]

I can say I'm a bit patrified thinking that [REDACTED] is comeing here next week, and starting a life together. I
have to admit that he won't be able to take care of me in the next 2-3 years at least, so I'm kind of on my own,
so I have to grow in my job and be smart about every step. So far I don't feel needed in the office, and I don't
know if is because all of them are professional and don't need my oppinion, or I just don't have good
ideas...anyway I'm trying to learn everyday...

Any advice?

kisses

i will come there end of sept
