the term begins this week... I will be there aug 23-26th, then I go to the Aspen Center for Physics to work till Sept 5th.. If you have never been there you might enjoy that btw.. I also have a really nice 3 bedroom timeshare (that I am trying to sell at a loss.. :)) at the Ritz Carlton Club (twice daily maid service.. really comfortable bedrooms each with their own rather luxurious bathroom) at the base of aspen highlands that you are welcome to stay at if you would like to come by and spend a day or two going for a walk and talking about things.. there are also always lots of interesting people there during the summer to talk to.. that would be nice.. I would be very happy to host you there and there are some beautiful walks we could take and talk..
