The 650 that are available now are 2009. The 2011 units I'm told to be out in March or April 2011

The total cost delivered to LSJ for 2 units:

2009 units will be roughly \$ 16,797 (includes shipping estimate and excise tax)

2010 units will be around \$ 18,919 (includes shipping estimate and excise tax)

Thank you

Jeffrey,

I know you said to get the 750 units but the dealer I have been working with in NJ has located a second black Kawasaki 650I Bruit Force so they can give us the two units at **\$ 6,747** each delivered to Tropical in Kearny NJ.

The two black 750I units in Florida are going for **\$ 8,700** each delivered to Tropical.

Please advise if you still want the 750's or should I go ahead and get the 650's which are almost \$ 2,000 less each?

Thank you
