Good Day Lerry,

We have 5x S550 Mercedes in stock but they already have been shipped to UAE from Canada.

The price would be \$220,000.00USD

As per S600 we have in production in Canada and will be ready within 4 weeks.

Priced @ \$290,000.00

In South Carolina we only manufacture Chevy Suburban and Yukon.

Our Canadian factory is specializing in VIP and High Class vehicles like Mercedes, BMW, Lexus, Bentley, Maybach.

I'm currently in Dubai and probably stay here for another 6 months.

I will call you latter today so we can discuss more.

Thank-you
