I saw a fabulous movie today with Manzie. It's called American Animals. You should definitely see it. It's so much fun and based on a true story. It's amazing. You wouldn't believe it. Definitely see it this weekend. It's an absolute must.

He does care that he's not invited to the Martha's Vineyard parties. When he said that he doesn't care because he's invited to too many parties anyway we don't believe him. That in itself is arrogant. Then The New York time writes yesterday saying how he doesn't like being shunned from the parties and poor him.
