What are "today's dollars: The IRS reviewed the issues. And agreed with trump. "if my grandfather would have bought one hundred dollar in treasury bills. the article to be accurate would have said when Donald was 3 years old he received 14k per year. And it doesn't say whether taxes were paid on that

Just as you are direct, I am direct as well. I know of no way to find the best programs in places with which I am not familiar, other than investigating them online and making contact with a few that seem optimal. You may have other resources, but I don't, and so as of now I'm not doing anything further on that front.
