I don't either. I have no other way of knowing that programs exist. If I know they exist, I can vet them and make the appropriate contact.

My Apple Watch is synching as we speak. I just love it so far even though I just got it. It seems much thinner and I love the bigger face on it. It's thin, sleek and beautiful. Thank you so much for thinking of me. Always grateful. I love to be spoiled and so far you're doing a good job. Keep it up.-) Thank you for my birthday present.
