I was thinking about that too. Get the dean to admit something.

And both Wilkinson would be great.

Agreed re call. But not likely new allegation. That would come from elsewhere. Otherwise could be a spectrum of possible offers.

I am feeling very angry at university now. I would rather fight rough now and get less money than get more money and feel badly about myself for the next 20 years for being a pussy. Anyway that is how I am feeling today.

Ray is not principal partner
Only Alice Walton is
Ray is inserting himself to hangout with Alice
Making an impression at my expense
He is supposed to be my friend

Dear Joe, As you are aware , what I lack in biz skills I make up in character. When we first met , I thought , wow. We can do this together. What I propose is that you and I form a partnership. I do the spiritual and you do the biz. After my salary of 1. 5 per year. We split everything 50/50/. All my ip goes in. We agree on its value and its appreciation is splits 50;50. You can choose the value.

These are always scary two phase procedures where you try to occluded a little then quickly bypass the vessel

But the SLAM DUNK analogy is kinda fun

It isn't a slam dunk

Sent you thoughts on a maybe plant imaging thing see what you think

Wrote a proposal last night and can more formally submit once I find imagers
