Dark Cloud over his head, and it won't go away. Will keep you updated on R.

Can you skype with Ed at 4 pm London time tomorrow? He is a bit stressed on NYU and needs some encouragement and boost of confidence: a pep talk, which you are so good at!

Hi. I think my press statement may almost be Jeffrey level smart. If they say nothing in response I win. And if they respond it will most likely be disparaging but will establish precedent that release of disparaging facts ok. :). You may be rubbing off?

Heard nothing back yet btw. Working on finalizing letter based on draft I sent.

What I'm told. Secondary source is that one of the " assassins " put the video on his phone. And it was hacked

I think we might add that the university is to provide a form letter to be signed by the donor that is acceptable to them. It should be delivered no later than 1 week after signing.

I would send a signed copy of the contract signed by both you and Justin.
TODAY. Saying in good faith you have met their deadline. If there are changes to be made you are amenable. DO NOT think they will agree to Monday without a fight

Your phones will need to be changed once you leave the area. have your guys buy you one to use when there . THERE IS NO PRIVACY!!!. none. MBZ would like to reincorporate the whole region back into one entity . . Biz there is bad. Dubai on the decline. - no matter what they tell you .
