Wanna call? All your stuff is in and my stuff removed as per our call. The line about them providing a letter is taken out as the rest of the clause says if the donor requests and it would seem awkward to require the foundation to send a letter to donors asking them if they would like to request something.

Ok?

That is the only thing that is hanging. Otherwise done. Let me know asap. Thanks

I am also working on retirement letter so it cannot be seen as disparagement. Rather as offered for the benefit of the university.

I realize that the person asking questions automatically has stature. I guess teachers' authority programmed into everyones head . He was again outclassed good work. but pivoting and asking questions will make it look less like you (the perp) are being interrogated.
