World Economic Forum

Dear Mr ,

The World Economic Forum has a long history of fostering multistakeholder dialogue and impact in the global public interest. There has been an increase in the use of the World Economic Forum brand and its derivatives for activities and events that are not organized by, supported by or associated with the World Economic Forum. As such, the Forum is in the process of taking measures to protect its brand and regrets any confusion this causesin the interim.

Please contact your Partner Engagement Manager at sadaf.hosseini@weforum.org with any questions.

Kind regards,

Børge Brende

President

World Economic Forum
