Hi.. I think you replied to at least one of my emails.. a message appeared on the screen and then suddenly disappeared.. anyway, perhaps it will reappear once I get on the ground.. looking forward to moving forward, and once again I can't thank you enough. I land in 45 min. in Dallas for 2 hours. As I said in my emails, reaction is great.. people get it.. so we will see..

Asu is up in arms about the announcement and letter. Ha!! Great. I feel their pain. Their lawyer has managed to 'calm them down' and they won't act but they are warning me. :))

They were actually pissed off that my statement went out before theirs! Awwww.

Opioid addiction - super interesting

It's been a problem for a zillion years and the ancient texts in Malay and Sanskrit have some cool plant based remedies

Turns out the plants are legit medications now but for other Diseases

I wonder if there is wisdom in the wisdom

The more pressure to run for the President, the less I'm willing.
Council of Europe doesn't look tangible for many reasons.
Brussels (Mogherini's job) looks very interesting but again, many complications.

Hello Jeffrey,

I'm in LA, just went to the doctor. He said he can't do a surgery until the inflammation is completely gone, so for now I will treat the eye with drops and heat. And then we will see.

I apologize for raising my voice. It was inappropriate. I wanted your advice. I also admit I was frustrated and saddened to hear about Black. The university chose to release his name and I expect they would have done that no matter what. And the attempt to change that language in the contract document was entirely to keep blacks name out of the document in the first place. Anyway I am hoping that he will calm down and rethink it. The smart foundation is listed too and I don't see that being associated with them impugned him. But anyway, I am sorry.
