I should put in the request to who? He would like white under pants, size medium, in the same style as the black pair. He wears white jockey shorts of sea Island cotten. He also wears the crewneck short sleeve undershirts in size medium and sea island. Not with last sleeves. Thx

just think - to create a utility co computer hack takes a team of 12 and 9 to ten months. and you knock out one grid,. play with the markets and HOLY SHIT. you see the stock exchange is highly protected , from back door intrusion. so the front door is left wide open.

Crazy. Monday, Tuesday Geneva, Thursday lecture in Eastern Slovakia, Saturday morning leaving for Dubai. As much as I look at it, I just cannot see the chance to come to see you there. Going for lunch would take the whole day and I have no dinner time available because of the logistics. Crazy.

Not really. I'm a co-chair if a working group in future of Europe created by the World Economic Forum and they host the conference there
