With LA boy, he can't help me with green card even if he marries me. He can't apply for the green card himself for now, because he won't be able to sell the property that they develop now.

The girl's name is Sofia. She studies art history and she wants to study and work in Christie's either in NYC or London. She is a very smart and sweet girl. I told her that you could possibly help her with her studying.
