I was in the military . Side by side , with blacks hispanics. Races ethnicities. Working TOGETHER. . economic nationalism is not racist , not violent. ISIS. and their defeat. The deplorable fighting side by side . To make the country safe. Do you know what all the soldiers. Have in common? Do you? They are citizens. They are not undocumented citizens. They are not illegal citizens. They are bound together to protect each other.

I said if the left refuses to engage on policy but resorts to calling our men and women racist , etc. I said wear the name calling as a badge of honor , wear the evidence of a bankrupt policy . The scraping of the bottom of the lefts empty barrel , only left to hurl insults. I abhor the Pittsburg massacre. I abhor the killing of the young black men in Chicago. These are our citizens .
