We can talk it out. Maybe both, but the NGO. Gives you little. And is old thinking. It allows a tax deduction in the states. (at the cost of the govt being your partner “ But otherwise , requires filings , public etc. “). press . private. protected. . access, legal niceties. (salaries . Etc) .

Both President and the Prime Minister are working on a deal. They don't want to lose me. Parliament is still stubborn. I said my read line is to go to Marrakech and not to reject the Migration compact in its entirety.

The vote on the parliamentary resolution was postponed until next week.

I'm in Turkey today, was just received by Erdogan for a very long, private and friendly meeting. Flying to Berlin from here.
