TV better , radio they can drown you out especially two on one. I then watched and saw usherwood not looking at you but yelling in the mic. Its a good tactic for him. I prefer you eye to eye with the adversary

Yes I did. He says he has not seen any calls from you, but he does not answer "anonymous", so that is the reason. He wants to come to the UN High Level week in September. He needs two bedrooms. Space in your apartment building? Kim is following up Morits. He sent Morits email during the weekend. The deadline is 27 July. Kim informed that the 14 is in their account and ready to go, but he needs documentation from Morits that the collaterals are gone. He will follow up from his holiday break.  
Where are you?
