Not a bad metaphor

The key understanding here is that it's all formless

Form is an illusion

All form is phenomena

All phenomena is perceptual modification of the formless

Love from Dubai

More than a metaphor. I believe it is a tool for the inquiry . Reductionist arguments.
Looking for conciousness in the micro tubules. Is like looking for culture in the feet of a
human.

Everyday reality is a metaphor
Reality is invisible
Symbolic expression is culture
