The issue no longer exists in the public space, which is good. Back to normal.
In London right now.
Former PM just called, wants to see me tomorrow, let's see what for.

Schiff also wants to subpoena Trump's financial records with Deutsche Bank — particularly because “they have a history of laundering Russian money,” he said.

Deutsche was fined last year for its role in a \$10 billion Russian money-laundering scheme.

“This apparently was the one bank that was willing to do business with the Trump Organization,” Schiff said.

Trump forged a relationship with Deutsche in the 1990s when Wall Street stopped lending him money because his company was teetering on the edge of financial ruin.
