An American all star game takes the best position player from each league. So Brazil forward, France goalie. UAE. Back. Etc. . The football all stars represent the best the world has to offer. No country rivalry , only sport. At a level never seen before. Sponsors would be easy. Would have a audience as large as World Cup finals. . as every country would watch as opposed to only the two finalists.

The idea is great! There is something called World Tolerance Day. That could be the timing. Don't think World Economic Forum in Davos is right place. There are two, three meters of snow there in January! I am thinking of Abu Dhabi. They have a Ministry for Tolerance, which is looking for what to do. I know the minister well.

Or IPI. UN is too bureaucratic and being a membership organization it would be politicized. WEF could be a partner. They are not a membership org. Klaus decides everything! Venue could be Abu Dhabi.

On another matter: Gates didn't answer email. However I had a good conversation with Chris Elias, head of the foundation on the phone. He is setting up a meeting with the head of Gates Foundation in London when I'm back from Davos. Would still be good to see Gates in Davos.

On another: Rita came back and said she would be helpful with Edward!!

I'm focusing (without straining) on reversal of biological age

The biggest culprit is " thought "

I'm practicing more than before - Being in the midst of any experience without the intervention of thought ie no interpretation !

It has a flavor of joyful ness no matter what the experience

Traveling to California then Dubai Abu Dhabi and India first 3 weeks in Feb
