Under RICO, a person who has committed "at least two acts of racketeering activity within a 10-year period can be charged with racketeering if such acts are related in one of four specified ways to an "enterprise"Those found guilty of racketeering can be sentenced to 20 years in prison per racketeering count. In addition, the racketeer must forfeit all ill-gotten gains and interest in any business gained through a pattern of "racketeering activity."

It went something like this,
Dear Mr. Jeffrey,
I made this for you and hope you like it. Thank you for being so good to my family and to me. I love the computer! Thank you very much, ████

I thank you too.   The computer is so much better for her than what she was using before. Volleyball is going well and she just got her report card of straight A's. I'm so proud of her!

Hi. You read my mind. Was about to text. It was great. Woody is doing very well. Not letting this bother him. And he will do my new podcast.

Thanks so much for the apt. Was great. On the way to LaGuardia now.

Had productive two days. Talked to 2 possible donors for the foundation and Trevor Nunn and I met with Kevin Kinsella and Trevor and I will continue to pursue the one man show option.

Sorry I didn't get to see you though.
