Interesting , I would have assumed that power would have been enhanced by a dynamic demonstration. Rather than a fixed point. But I ll stick to the markets.

Yes but like djt. He told ben how to fight it and made some horrific mistakes. Ie instead of letting the girl that was a proven fake wait until trial. That would have damaged all. , he wanted it out in the press that she was untruthful. Amateur bully

Really interesting how science probably got it wrong

Now makes you wonder about the correlation vs causality of sunscreen use and hypertension
