Maybe he follows me on Instagram and [REDACTED] on twitter?

On [REDACTED] and I had Christmas vacation planned we were leaving from Seattle and I was supposed to be on leave.

But the Islamic development development asked me to
Come to their delivery unit event and help them with their data for a few days.

So [REDACTED] left ahead of me to Asia. And I re re routed my vacation so I could do the event.

I can't recall all of the "receipts"
[REDACTED] supposedly have the board bc I didnt get to see copies but i remember the chief of staff telling me that several of his alleged trips didn't even happen or had been planned and cancelled or that I didn't go in the trips and the tickets were refunded.

Sometimes travel would book for the whole entourage when the executive team planned a trip. And then they would just cancel whoever wasn't supposed to be in the trip but that was determined by chief of staff not me. Definitely not [REDACTED] he never cared about that stuff or asked.

Trying to think of "dining alone together"

We used to host delivery lunches in the cafeteria and we would go sit at a big round table and leave a bunch of open chairs so people could join but there are hundreds of people In the cafeteria
