I am happy to help. What is the plan? Wouldn't learning a skill be more important ?

iMessage

Thank you very much!!!

For now to secure my visa status, I go to Israel and Korea and get new materials fast. I return back to NY around May. My visa expires on ██████████ and I apply for 1 year extension.

After that I can start learning skills, taking care of my exams etc.

Good thing you weren't in Paris because there was a mentally ill woman in the 16 who set fire to a house and eight people were killed and 16 injured.

Was great to see him

He seems happier than I've seen him in a while

discussed the slides talked about science ate cheeseburgers

I told him he owed you a call and he didn't say anything he asked how you were and i said you were doing great and lots of science
