The Agreement entered into between Jeffrey Epstein and the United States Attorneys Office was fairly negotiated by experienced teams of attorneys representing each party. It was anything but a sweetheart deal. And it was carefully and fully reviewed not only by senior prosecutors within the Southern District of Florida Office but also at multiple levels of the Department of Justice in D.C. At each level, the decision-making of the US

Attorney was approved. As a result, the Government avoided litigation risks including the risks of an acquittal and Mr Epstein went to jail, served a period of probation, lived up to each and every obligation under the Agreement, and has fully conformed his conduct to the law for well over 10 years. ??
