That's a big vascular malformation with vessels shared from brain to skull and even neck

Tricky to untangle

“The criticism is wrong and reflects a fundamental misunderstanding of both the facts underlying Mr. Epstein’s case and how it was prosecuted by both local and federal authorities. Far from a receiving a sweetheart deal, Mr. Epstein was subjected to a lengthy, aggressive, and highly unusual federal investigation for what were, in essence, local offenses of sexual solicitation. He accepted responsibility, served time and prison, and paid significant monetary settlements to the victims involved.
