   I was about to tell you, but I guess ██ did it first
   About Vegas, the truth is we get there all together, how we planned, but in the end, they
   left and I went to Grand Canyon with a guy
   And I did tell you that when I got back

I really sorry that I disappointed you, feel so bad about it, I don't want it to be like that
I wanted to tell you everything on arrival in Paris, I even told ████ about that and I know she never lies to you
About Grand Canyon, I didn't plan it like that...
I don't want to go to Hawaii in this situation, much more important to me is your faith in me
I really want to do something for you and be useful

The truth is - I lied about other girls because I thought you would not approve of my just being with a boy and its a full truth
I didn't know that this would happen and was afraid to tell you
I didn't lie about anything else
I understand it's totally my mistake
Jeffrey, you always been so nice, kind and care about me like no other, I want to say thank you for everything you did and taught me
If you decide to not talk to me I'm the only one here who is guilty
You only asked for one and I broke the rule

I hope you understand my horrible English, I sincerely regret that this happened

Yesterday not good. I was sick and out of sorts. I whined. Stupid mad at myself.

She basically said. You had chance blew it. I know about being with you. Now exploring other things. Can't do multiple intimacy. If you ll be happier take time apart.

We parted warmly.
