Camilla sending you now reports on email. They are very comprehensive, and we did everything we had indicated and more. Problem was he did not want to be visible and participate. So for instance when we shaped the annual Salzburg seminar last year, he came to Salzburg but did not want to go to the event.

We are doing the same this year. Invitations had to go out months ago (it is in September), and when I discovered he could not provide the funds I have to cover costs from IPI's general budget. We cannot cancel at this stage, etc, etc, etc....
